

Allstar by Smash Mouth

Verse 1

C G Dm F

Somebody once told me the world is gonna roll me.
I ain't the sharpest tool in the shed.
She was looking kind of dumb
With her finger and her thumb
In the shape of an "L" on her forehead.

Prechorus

Well, the years start coming and
They don't stop coming.
Fed to the rules, and I hit the ground running.
Didn't make sense not to live for fun.
Your brain gets smart, but your head gets dumb.
So much to do, so much to see,
So what's wrong with taking the back streets?
You'll never know if you don't go.
You'll never shine if you don't glow.

Chorus

C G
Hey now, you're an all-star,
Dm F

Get your game on, go play
Hey now, you're a rock star,
Get the show on, get paid,
And all that glitters is gold

(***C Bb F**)

Only shooting stars break the mold

Verse 2

It's a cool place, and they say it gets colder.
You're bundled up now, wait till you get older,
But the meteor men beg to differ
Judging by the hole in the satellite picture.
The ice we skate is getting pretty thin.
The water's getting warm so you might as well swim.
My world's on fire, how about yours?
That's the way I like it and I never get bored

Chorus – Interlude – Chorus

Verse 3

Somebody once asked
Could I spare some change for gas?
I need to get myself away from this place.
I said yep what a concept. I could use a little fuel myself
And we could all use a little change

Prechorus – Chorus

*The C G Dm F progression can be played at the end of the chorus. Alternatively, C Bb F can be used because it is the same as the original.
