Reflection Questionnaire:

Each of the following questions can be answered in 1-2 sentences. However, if you would like to elaborate, please feel free to write more.

1. Please describe the CVL Project in three distinct words:
2. If you could go back in time and had to do this project again, what would you differently?
3. If you could go back in time and had to do this project again, what would you do the same?
4. What was your favorite aspect(s) of the CVL project?
5. What aspect(s) did you dislike the most of the CVL project?
6. What do you perceive to be the educational implications of vlogging or collaborative vlogging?

7. ***Do you plan to vlog in the future?***
8. ***Is there any aspect you would change for the CVL project in MUS101 next year?***
9. ***How did the CVL affect your relationship with other members of your crew? (Please do not limit yourself to only 1-2 sentences on this one.)***
10. ***Any other comments:***

Self-assessment

The individual videos of this project are worth 70 points. How many points would you give yourself and why? (Give enough evidence to support your claim)

Group assessment

How would you assess your fellow vloggers in your group? Did anyone do an exceptional job? Was there anyone who made the process difficult? What celebrations or concerns do you have with the collaborative process in your group?
